# The Indian 'Head Bob'

1. Yes
2. No
3. I don't know
4. Okay – I hear you. Keep going.
5. I'm listening
6. I totally disagree with that
7. You're pissing me off, but I'm not ready to fight with you quite yet
8. I'm not so sure about that
9. I totally don't like that idea, but I don't want to have to give a reason why
10. That was kind of funny, but not funny enough to actually laugh
11. That wasn't really funny, but you get a courtesy bob so you're not embarrassed by your bad joke
12. I hear what you want me to do, but no way am I going to do that, so I'm just going to bob and maybe you'll shut up about it
13. I'm bored now, but if I keep bobbing, the person talking to me may not notice I'm not paying attention to anything they're saying
14. As the answer to "Why didn't you vacuum today? I asked you to do one thing, and you didn't vacuum? Why not?" [or insert whatever task/chore you like]
